### **COLLECTION**

#### **Front air conditioning unit**

The ideal interior climate at the push of a button. Just the recipe for enjoying relaxed driving and being able to concentrate properly on the road ahead, come rain or shine. The air conditioning also reduces fogging inside the vehicle, while the system's integral fresh-air filter clearly reduces the levels of pollen, dust and odours entering the vehicle. The result is pure motoring pleasure.

*Front air conditioning unit (for diesel-engined Viano models)*  
Order no. – see price list

# For your perfect on-board climate

## Parameterisable special module

For retrofitting and modification of special electrical components and systems of all kinds, this special module provides a defined and secure interface (10 inputs, 20 outputs) with the vehicle's electronic system.

Order no. B6 656 0734

## Remote control

Order no. B6 656 0606

## Auxiliary heaters

Pre-heating. Booster heating. Stationary heating. With the auxiliary heater, you can look forward to a cosy interior before you've even started the engine. Smoothly adjustable controls with timer and optional radio remote control. Easy to fit using the accompanying Mercedes-Benz installation kits. Your local Mercedes-Benz Service Centre will be pleased to provide you with all the advice you need.

*Hot-water auxiliary heater  
(for diesel-engined Viano models)*

Order no. - see price list

*Hot-air auxiliary heater  
(for diesel-engined Viano models)*

Order no. - see price list

# Comfort and design from the ideal perspective

COCKPIT

COMFORT AND DESIGN

## **Stainless steel door sill panel**

A step above the rest. Available for driver's and co-driver's doors, as well as for the sliding doors.

Order no. B6 656 0631  
(supplied singly)

**Wood/leather steering wheel with burr-walnut-effect trim**

The centrepiece of any stylish cockpit. A truly eye-catching design, underscored by the fine wood grain and the discreet colour scheme. Replacement of the airbag is not necessary.

Order no. B6 656 0633

**Cruise control**

Cruise control makes the driver's job easier, especially when it comes to obeying speed limits, but also when driving long distances or towing a trailer. The selected speed is stored and maintained - although manual intervention is of course possible at any time.

Order no. B6 656 0664

**Burr-walnut-effect instrument panel trim**

Enjoy mile after mile of select individuality. The high-gloss burr-walnut-effect trim gives the interior a feel of classic elegance. Various sets are available to choose from (for the centre and side air vents), all with a simple, glue-on design.

Order no. - see price list

**Silverstone instrument panel trim**

For anyone looking to cut a particularly dashing figure out on the road. Made-to-measure good looks. Various sets are available to choose from (for the centre and side air vents), all with a simple, glue-on design.

Order no. - see price list

# Flexibility on the move

COCKPIT

SYSTEM AND FUNCTION

## Office case

The ideal way of keeping everything close to hand, both inside and outside the car. This stylish, multipurpose office case can be kept open whilst driving, with the laptop held securely on the front passenger seat. The case also has plenty of compartments for holding your mobile phone, PDA, pens, A4-size papers, business cards and many other useful items which you often need in a hurry. When you reach your destination, the office case can be simply turned into a handy briefcase/laptop case and taken with you. In short, an indispensable mobile office.

Order no. B6 656 0417

**Coat hanger**

Keeps shirts and jackets looking immaculate.  
Simply fits onto head restraint.

Order no. B6 656 0416

**Writing surface**

This practical writing surface simply hooks over the steering wheel. It comes with handy clips for holding your papers.

Order no. B6 656 0388

#### Floor mats

Robust. Hard-wearing. Made-to-measure. You can choose from natural rubber mats, rep mats or high-quality, carpet-grade velour mats. Special cut-outs for the seat rails mean that the mats lie flat. Available for the entire vehicle interior back to the tailgate, for all interior variants. Your Mercedes-Benz Service Centre will be pleased to advise you further.

Order no. - see price list

#### Neck support

Extra lateral support puts an end to waking up with a stiff neck. Can be fitted to point either up or down, making it suitable for both adults and children. Simple, secure fitting.

Order no. B6 656 0466

# Stylish protectors

## **Seat covers in stone and orion grey**

Attractive, made-to-measure covers in a hard-wearing fabric with a pattern that matches the original seat design. The ideal solution for protecting seats, two-seater benches, armrests and head restraints. All covers have a colourful Jacquard weave, are dirt-repellent and are also machine washable at 30° C. Advice on which cover is suitable for your vehicle is available from your Mercedes-Benz Service Centre.

Order no. - see price list

## **Protective cover**

Sitting pretty. Durable, low-cost protective cover which simply slips over the front seats. Covers are oil, dirt and water-repellent, and machine washable at 30° C. (Not shown)

*Individual seat*

Order no. B6 656 0598

**Litter bag**

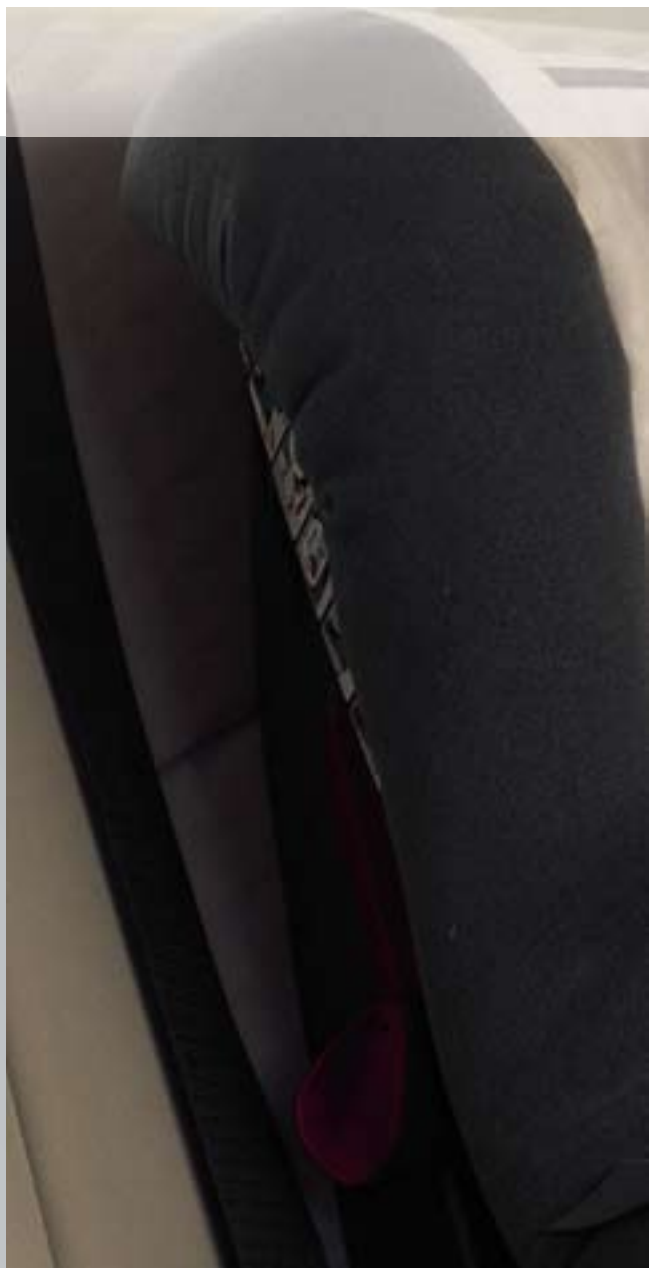

Dispose of litter easily and elegantly in this 5-litre vinyl bag. The hygienic liner bags are easily removed. Take out one bag and the next bag moves into position automatically.

Order no. B6 656 0320

**Replacement liners for litter bag**

Contents 50 liners. (Not shown)

Order no. B6 656 0333

# Safety from the outset

## 1 | "DUO plus" child seat

Suitable for young children between 9 and 18 kg and ages of 8 months to about 4 years. Sitting, resting and sleeping positions and the height of the shoulder straps can be adjusted quickly and easily. The standard retaining strap for the head section provides a safe attachment option with the existing Isofix system or a 3-point seat belt.

Order no. - see price list

## 2 | "KID" child seat

Giving child safety an extra boost. The seat that grows as your child does, thanks to a backrest whose height can be adjusted to the child's height. Suitable for children aged between approximately 3 1/2 and 12 years or weighing between 15 and 36 kg.

Order no. - see price list

## 3 | "BABY-SAFE plus" child seat

For babies up to 13 kg or from birth to about 15 months. This extra-deep bucket seat for babies is equipped with an adjustable sun canopy, an additional back support for very young children and an ergonomically shaped and adjustable carry handle. Secured using the 3-point seat belt. Transports children in a rear-facing position.

Order no. - see price list

# Delivering cutting-edge infotainment

COCKPIT

INFOTAINMENT

## Sound 30 APS navigation system

One unit, three functions. Navigate, listen to the radio, enjoy CDs. Easy to use with simple menu-style control. Offers a variety of advantages, e.g. dynamic navigation, which reacts to any reported changes in traffic conditions. The 30 APS unit and the D2B CD changer are perfect partners. Supplied without GPS aerial.

Order no. B6 656 0501

## Accompanying fitting frame

Order no. - see price list

## Speaker installation kits

Let the music play ... installation kit with 2-way speakers for upgrading the front speakers or retrofitting rear speakers. (Not shown)

*2-way front speaker kit*

Order no. B6 656 0660

*2-way rear speaker kit*

Order no. B6 656 0661

## Connection kit for portable MP3 players

Easily retrofitted AUX port for external playback devices like MP3 players or portable CD players.

*(for Sound 5)*

Order no. B6 656 0107

*(for Sound 20/50 APS/COMAND)*

Order no. B6 656 0108

#### Sound 5 radio

CD radio which can be operated using multifunction steering wheel. With 4 x 20 W total output, 25 station presets and connection for MP3 CD changer or MP3 player. When CD changer is used, the Sound 5 unit offers track title display in ID3 format.

Order no. B6 656 0866

#### Sound ONE MP3 radio

Exclusive audio: 4 x 45 W total output for radio, CD and MP3 enjoyment – all controlled using the multifunction steering wheel. Front panel can be removed to prevent theft and features an AUX connection for your MP3 player. The colour of the button lights can be selected.

Order no. B6 656 0722

#### Audio 30 APS navigation system

Identical to Sound 30 APS but with GPS aerial and installation kit.

Order no. B6 656 0663

#### MP3 CD changer

6-CD changer, ID3 data-compatible. Reads CD-R and CD-RW and can be operated using the multifunction steering wheel. For all Sound series units.

Order no. B6 656 0580

#### Installation kit

(Not shown)

Order no. – see price list

#### CD changer, D2B (Digital Domestic Bus)

6-CD changer. Vertical or horizontal fitting. CD changer with optical fibre. For Mercedes-Benz Sound 30 APS, Audio 10 and COMAND.

Order no. B6 656 0399

#### MP3 CD changer, MOST

6-CD changer with “Media Oriented System Transport” technology (MOST), optical fibres ensuring enhanced data transmission. For Mercedes-Benz Sound 20, Sound 50 APS and COMAND.

Order no. B6 656 0799

#### Sound 50 APS navigation system

All inclusive: the Sound 50 APS offers optimum navigation with dynamic route guidance (RDS/TMC), straightforward telephone functionality in conjunction with a networked hands-free system and rich sound quality for CD or radio. It can also be controlled using the multifunction steering wheel.

Order no. B6 656 0744

#### COMAND APS navigation system

Car hi-fi and intelligent navigation technology in one: the double tuner and 4 x 40 W amplifier deliver brilliant sound quality. The 6.5" colour display and the integral drive (for audio and navigation DVDs) ensure optimum driver information, and there is also a connection for a CD changer. COMAND can be operated using the multifunction steering wheel.

Order no. B6 656 0747

#### Tachograph

Keeps a precise and instantaneous record of driving and rest times in accordance with statutory regulations. A legal requirement in the EU for commercial goods transport where the GVW including trailer exceeds 3.5 t.

Order no. - see price list

#### Hands-free system for mobile phones

The elegant, neat solution for all popular models of mobile phone. Fitting a hands-free system offers you the following benefits: phone calls conducted over the vehicle's speakers and the special microphone, radio mute during phone calls, connection to the vehicle's exterior aerial reduces radiation and improves clarity. (Not shown)

Order no. - see price list

#### Phone aerials

You are able to choose from a range of GSM/UMTS, GSM 900 and GSM 1800 aerials. (Not shown.) Your local Mercedes-Benz Service Centre will be pleased to provide you with all the advice you need.

Order no. - see price list

*Navigation CD available separately. For information concerning the latest navigation CD, please contact your Mercedes-Benz Service Centre*

Always ready to talk – wherever you are

**Mobile phone console for instrument panel**

Keep all calls within easy reach and all numbers just a glance away. The ergonomic design places the phone in clear view of the driver. You can obtain information on all current mobile-phone consoles from your Mercedes-Benz Service Centre.

Order no. – see price list

**Cradle for mobile phone**

The easiest way of adapting your hands-free system to your current mobile phone model. Simple installation in just a few steps. Cradles for all popular models of mobile phone are available from your local Mercedes-Benz Service Centre.

Order no. – see price list

# Distinctive contours, convincing functionality

CONTOUR

STYLING

## **Stainless steel side skirts**

With their refined looks, these are the ideal complement to your light-alloy wheels. The side skirts are made from high polished V2A stainless steel. The set includes two tubes (L: 2330 mm, diameter: 60 mm) and brackets. Simple, bolt-on design. Suitable for Viano compact and long variants.

Order no. B6 656 0672

**Side window wind deflector**

Prevents wind and water from entering the vehicle when the window is slightly open. Exact fit, easy to attach without any need for drilling. In lightly or strongly tinted acrylic glass. Supplied as a set for both front windows.

*Light*      Order no. B6 656 0561

*Dark*      Order no. B6 656 0569

**B-pillar trim**

Trick of the light. Carbon fibre design with 3D structure. Simple, glue-on format.

Order no. B6 656 0900

**Hub cap with chrome star**

The hub cap protects the wheel hub against dirt and is also elegantly eye-catching.

Order no. B6 647 0202

**17" light-alloy wheel  
in 6-spoke design**

Order no. B6 656 0339

**16" light-alloy wheel  
in 7-twin-spoke design**

Order no. B6 656 0311

# Design highlights

## **17" light-alloy wheel in 5-spoke design**

Order no. B6 656 0312

## **Mud flaps**

Effectively reduce the formation of spray and protect the bodywork from scratching and build-up of dirt. Made from high-quality, durable plastic. Simple to fit without any drilling.

*Front mud flaps (set of two)*

Order no. B6 656 0458

*Rear mud flaps (set of two)*

Order no. B6 656 0459

## **Snow chains**

Even when the snow is falling thick and fast, there's no stopping the Viano. Diamond-pattern chain net with grip links. Spring-steel tensioner for easy fitting, also suitable for light-alloy wheels

*Quick-fit 16" chain to fit 195/65-16"*

Order no. B6 656 0620

*Quick-fit 16" chain to fit 205/65-16"*

Order no. B6 656 0670

# Transportation options to match your needs

CONTOUR

MANOEUVRING AND TOWING

## Trailer couplings

Making light work of pulling heavy loads. Available with either a removable or a rigid ball head. Both versions are designed for a maximum drawbar load of 75 kg and for trailer loads of up to 2500 kg. Fitted by your Mercedes-Benz Service Centre.

Order no. - see price list

## Ultrasonic reversing aid

The reversing aid assists the driver when reversing by ultrasonically detecting obstacles up to a distance of 1.60 m behind the vehicle. Audible signals aid safe manoeuvring and parking. The reversing aid retains its functionality even when a trailer coupling is fitted.

Order no. B6 656 0666

**Mini coupling adapter**

For connecting trailers with 7-pin connectors to 13-pin trailer couplings.

Order no. B6 656 0182

**Tow rope**

Be prepared! For towing vehicles up to a max. GVW of 4 t.

Order no. B6 656 0634

**Tow rods**

For jolt-free towing of vehicles up to a max. GVW of either 3.5 or 4.6 t.

Order no. B6 758 0013 (*max. 3.5 t*)

Order no. B6 758 2408 (*max. 4.6 t*)

### **Alustyle rail-mounted basic carrier bars (2 crossways bars)**

Elegant. Attach anywhere along roof rail. The system has a load carrying capacity of 100 kg.

Order no. B6 656 0449

### **Alustyle basic roof carrier bars (2 crossways bars)**

Attractive, elegant design. The platform for a diverse range of attachments in an aerodynamic aluminium design. Bolted into the roof's drip channels. The system has a load carrying capacity of 100 kg.

Order no. - see price list

### **Retrofit roof rails**

Complete kit for quick and simple retrofit on standard roof. (Not shown)

*Compact* Order no. B6 656 0636

*Long* Order no. B6 656 0637

*Extra-long* Order no. B6 656 0737

# Shouldering the load

## **Standard basic roof carrier bars (2 crossways bars)**

Up to max. roof load of 100 kg. Designed to be bolted into the roof channel

Order no. B6 656 0700

## **Standard basic roof carrier bars (3rd crossways bar)**

By adding a third crossways bar, the load carrying capacity of the basic roof carrier bars can be increased to 150 kg for the standard Viano roof. (Not shown)

Order no. B6 656 0701

## **Standard rail-mounted basic carrier bars (2 crossways bars)**

The strong platform that sports enthusiasts need. For attachment anywhere along the roof rail. Carries up to 100 kg.

Order no. B6 656 0450

For the sporty side of life

CARGO

ROOF ACCESSORIES AND TRANSPORT

**Rear-mounted bicycle rack**

Fits onto tailgate. Can carry 2 cycles. Suitable for almost all models and sizes. Tailgate can still be opened with bicycle rack fitted. Includes the extra tail lights prescribed by law, requiring a power supply at the rear of the vehicle. Please take this into account when ordering the vehicle.

Order no. B6 656 0456

**Add-on kit for rear-mounted bicycle rack**

Attachment for the rear-mounted bicycle rack, allowing two more cycles to be carried. (Not shown)

Order no. B6 656 0457

**Bicycle rack for standard basic carrier bars**

(Not shown)

Order no. B6 684 8534

**Roof boxes for Alustyle basic carrier bars**

For the full range of roof boxes and their accessories please ask your Mercedes-Benz Service Centre.

**Ski rack for Alustyle basic carrier bars**

To carry 4 pairs of skis or 2 snowboards.  
2 attachments can double amount you can carry.

Order no. B6 656 0328

**Ski rack for standard basic carrier bars**

To carry up to 6 pairs of skis or two snowboards.  
(Not shown)

Order no. B6 684 8533

**Multipurpose box**

Big things come in small packages. This practical folding box is ideal for shopping and a host of other transportation tasks; it can be folded completely flat, is waterproof and can carry up to 30 kg in weight. When the box is folded flat, it doubles as a protective mat.

Order no. B6 656 0323

**Non-slip lining for load compartment tubs**

Made-to-measure, non-slip rubber net matting. Simply fits into the deep or shallow load compartment tub. (Not shown)

Order no. B6 656 0462

**Deep load compartment tub**

Protects the luggage compartment of your Viano from dirt and scratches. Made from lightweight, durable plastic. Height: approx. 27 cm. (Suitable for the long and extra-long Viano variants)

Order no. B6 656 0412

**Shallow load compartment tub**

Protects your Viano luggage compartment from dirt and scratches. Made from lightweight, durable plastic. Height: approx. 6 cm. (Suitable for the long and extra-long Viano variants)

Order no. B6 656 0411

# Redefining practicality

## Luggage retention net

A smart idea for making sure that nothing gets in your way. Even if the tailgate is opened quickly, you can rest assured that nothing will fall out. Smaller items, meanwhile, can be neatly stored in the net pockets.

Order no. B6 656 0594

## Box of replacement bulbs

Space-saving and close to hand: the box of replacement bulbs contains a full set of standard bulbs.

Order no. B6 656 0465

## Flexible load compartment

CARGO

LOAD COMPARTMENT AND TRANSPORTATION

### **Load compartment stowage pocket set**

A flexible solution for keeping the load compartment neat and tidy. Can be simply attached using the lashing eyelets in the seat rails. Takes up hardly any space when folded flat.

Order no. B6 656 0668

### **Lashing strap**

Can be attached at any point along the lashing rails in the floor of the Viano. With two sewn-in load-securing rings and standard clasp fastener. Length: 2.5 m.

Order no. B6 656 0724

### **Load-securing rings**

(Not shown)

Order no. B6 656 0723 (Set of 2)

### Coolbox

Even on really long days or long journeys the coolbox, made of hygienic, easy-to-clean plastic, provides constant and dependable cooling performance - thanks to the on-board 12-volt power supply. The box can be firmly secured in the load compartment with the aid of the special strap system. It's also easy to carry, using the handy carry straps. The coolbox has a volume of 16 litres.

Order no. B6 656 0300

### Protective load sill film

This transparent, virtually invisible film protects the sections of paintwork that are at risk from damage, helping your Viano to retain its value. Self-adhesive film made from high-strength plastic material.

Order no. B6 656 0463

### Protective door sill film

Self-adhesive film made from high-strength plastic material. Protects the paintwork around the front door sills. Transparent, virtually invisible and simple to affix.

Order no. B6 656 0464 (Set of 2)

### Umbrella

You really will be "Singing in the Rain" with this high-quality umbrella sporting a smart new Mercedes-Benz design.

Order no. B6 656 0413
